RE: Inspection/Feasibility Release of Green Mountain Forest Reserve # _____

Dear Bradley:

We have completed our inspections of our property at the Green Mountain Forest Reserve and wish to release our feasibility contingency. With this feasibility release we are satisfied with all aspects of the property, including:

- Timber stand and forest inventory
- Cowlitz County regulations for building/developing of the property
- Tax classification of the property
- Location of property lines and corners
- Potential for drilling a well for water
- Septic system potential
- Title information
- Green Mountain Forest Reserve Owners Association & protective covenants
- Easements for primary roads, secondary roads and utilities

We are scheduled to close on Green Mountain Forest Reserve # _____ on or before _____ and are prepared to do so at this time.

All other terms and conditions of the Purchase and Sale Agreement remain unchanged.
